

REMARKS

In the Office Action, Claims 2-5, 7 and 8 are rejected under 35 U.S.C. §103; and claims 32-34 have been allowed. In response, Applicants are canceling claims 2-5, 7 and 8 without prejudice or disclaimer as previously discussed. Therefore, the obviousness rejections with respect to same should be rendered moot, and thus the obviousness rejections should be withdrawn in view of same.

Applicants note for the record that claims 2-5, 7 and 8 have been canceled in order to expedite allowance of claims 32-34 that have been noted to be allowable as discussed above. Applicants further note for the record that they are not disclaiming any of the subject matter contained within the canceled claims and reserve the right to prosecute these claims in a continuation application.

In view of the amendment, all of the pending claims have now been noted to be allowable, and thus Applicants respectfully request that the patent application be passed to allowance.

Respectfully submitted,

BELL, BOYD & LLOYD LLC
